Action taken report on Alumni's Feedback

(Academic Year: 2018-19)

On the basis of analysis report action has been taken by the institution are as follows:-

Parameter	Rating & Response	Action Taken	Overall Rating	Action Taken
1. Syllabus updated enough	2.93 Good	The average feedback response received from alumni's is good. According to alumni's point of view syllabus updated is sufficient, good and applicable for the courses.	2.92 Good	From Overall feedback analysis the Overall average feedback response of the alumni's is good. So there is no need to take any action.
2. The Course curriculum intellectually stimulated me	3.00 Good	For this parameter the alumni's rated average feedback response is good. The course curriculum intellectually stimulated to students is very good and it is designed in such way that it will automatically generate interest among students while learning process.		
3. Applicability to real life situations	2.07 Good	The Applicability to real life situations is Good. It means alumina is happy about courses .They felt courses basic theoretical as well as practical knowledge.		

Parameter	Rating & Response	Action Taken	Overall Rating	Action Taken
4. Learning values in terms of knowledge, concept, skills etc.	3.00 Good	Alumni's responded feedback for this parameter is good, hence we say that these courses are designed in such way that students learnt different values like knowledge, concept, skills effectively & efficiently because its necessity to students as alumni already use all these learned values in the work place.		
5. Learnt new skills in due course of study	3.13 Very Good	Feedback for this parameter is v.good .It means alumni's learned new skill and currently they are using it.		
6. Syllabus created interest to pursue post-graduation/Research	2.87 Good	Alumni's responded feedback for this parameter is good. It means syllabus is good and students automatically take interest to pursue further study like post-graduation, research etc. because many alumni pursue the post-graduation and some of them are functioning in research area.		
7. Depth of course content including project work	2.67 Good	Depth of course content is good, according to alumni's point of view it is sufficient that must satisfies the current market need.		
8. Balance between theory, practical and application	3.40 Very Good	Average feedback response is very good. Hence courses are designed in such way that balance between theory and practical is maintained.		
9. Usefulness for developing social skills	3.20 Very Good	The usefulness for developing social skills of courses responded by alumni is very good. All courses are designed in well manner therefore it ultimately develops the social skills like cooperation, participation, sharing, good manners, helping, listening, patience etc.

ATR on Teachers Feedback on Curriculum Analysis

1. The courses / syllabi taught by me have a good balance between theory and application:-

Action Taken: 5 teachers responded as strongly agree and 3 teachers responded as agree for this parameters. No teachers express opinion as disagree .It shows that all teachers felt that courses / syllabi taught by them have a good balance between theory and application.

2. Contents of curriculum are as per the industry requirement

Action Taken: Only One teacher express opinion as neither agree nor disagree and no one responded as disagree for this parameter. It means Contents of curriculum are as per the industry requirement.

3. The objectives of the syllabi are well defined

Action Taken: No teachers express opinion as neither agree nor disagree and disagree for this parameter. It shows that all teachers felt objectives of the syllabi are well defined.

4. Infrastructural facilities are available in the Institute.

Action Taken: Feedback analysis shows that overall teachers are happy about infrastructural facilities are available in the Institute. No response for disagree opinion is received .So no need to upgrade infrastructure facilities.

5. The Institute provides adequate opportunities and support to faculty members for upgrading their skills and qualifications.

Action Taken: Only one teacher responded as neither agree nor disagree and two teachers responded as disagree opinion for this parameter. Hence it is suggested that to motivate teachers to participate in various training /workshop/FDP so that their skills can be upgrade.

6. The environment in the Institute is conducive to teaching and research

Action Taken: 3 teachers responded as strongly agree and 5 as agree for this parameters. No teachers express opinion as disagree. It proved that the environment in the institute is conducive to teaching and research .So no action recommended.

7. I have the freedom to adopt new techniques / strategies of testing and assessment of students
Action Taken: Majority teachers felt that they have freedom to adopt new techniques / strategies of testing and assessment of students. It shows all teachers are happy about this parameter.

8. The prescribed books are available in the Library in Sufficient numbers.
Action Taken: Majority teachers given remark as strongly agree and agree about books availability in the Library is in sufficient numbers. So no action suggested.

Overall feedback for all parameter is good.

ATR On Teachers Feedback On Curriculum Analysis

Parameter

- The courses / syllabi taught by me have a good balance between theory and application:-

Action Taken: 3 teachers responded as agree and 5 as strongly agree for this parameters. No teachers express opinion as disagree .It shows that all teachers felt that courses / syllabi taught by them have a good balance between theory and application.

- Contents of curriculum are as per the industry requirement.

Action Taken : Only one teacher responded as disagree for this parameter. It means Contents of curriculum are as per the industry requirement.

- The objectives of the syllabi are well defined.

Action Taken: One teacher express opinion as neither agrees nor disagrees and one opinion given as disagrees for this parameter. It shows that majority teachers felt objectives of the syllabi are well defined.

- Infrastructural facilities are available in the Institute.

Action Taken: Feedback analysis shows that only one teacher is unhappy about infrastructural facilities are available in the Institute. .So no needs to upgrade infrastructure facilities.

- The Institute provides adequate opportunities and support to faculty members for upgrading their skills and qualifications.

Action Taken: No teacher responded as neither agree nor disagree and disagree opinion for this parameter. It means all teachers think that institute offer sufficient opportunities and support to faculty members for upgrading their skills and qualifications.

- The environment in the Institute is conducive to teaching and research.

Action Taken: No teachers express opinion as disagree and neither agree nor disagree for this parameter. It confirms that the environment in the institute is conducive to teaching and research. So no action recommended.

- I have the freedom to adopt new techniques / strategies of testing and assessment of students.

Action Taken: Only one teacher is unhappy about this parameter. Overall all teachers felt that they have freedom to adopt new techniques / strategies of testing and assessment of students. It shows all teachers are happy about this parameter.

- The prescribed books are available in the Library in Sufficient numbers.

Action Taken: 3 teachers given remark disagree about books availability in the Library. So it is suggested to purchase new book as per current scenario.

ATR on Curriculum Feedback Analysis Report

Parameter 1: Need of syllabus updation

Analysis:

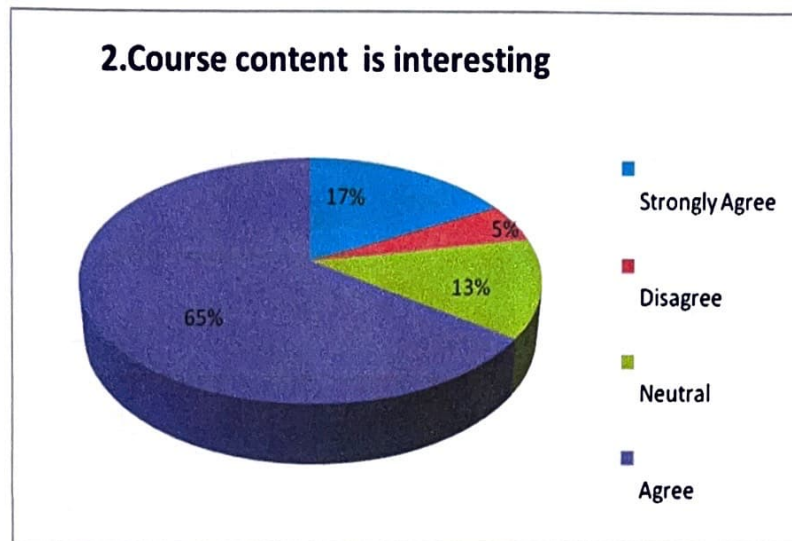

Action Taken: From above analysis we can concluded that 59 % students express view that syllabus updation is not needed. While 15 % rating is given as neutral. 6% students expressed syllabus updation is strongly required. 20 % rating given as agreed for this parameter. It proves that majority students felt that syllabus is as per current requirement of industry .It fulfill student's expectation very well. So no need of action suggested.

Parameter 2: Course content is interesting

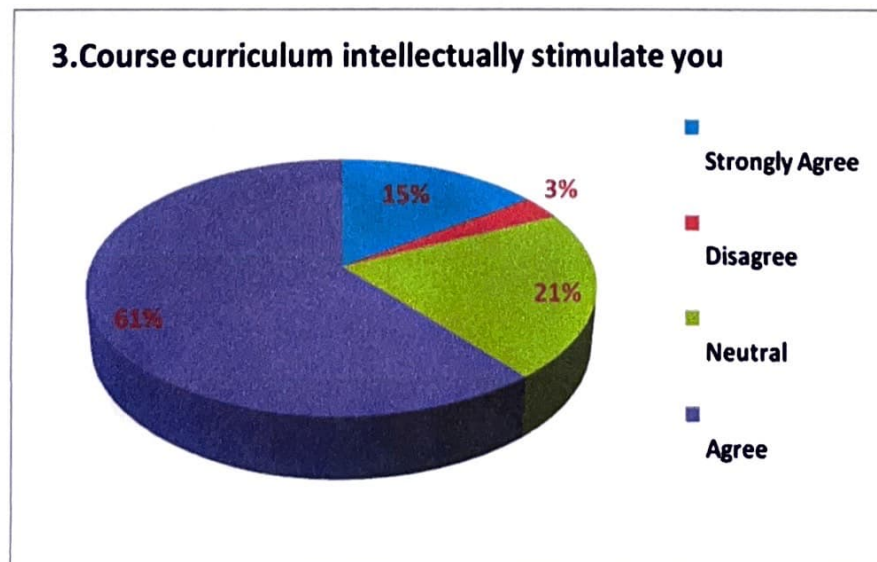

Analysis:

Action Taken: 65% student felt that course content they are learning is interesting. Only 5% students expressed opinion as disagree. It's very negligible. It shows that course content is interesting as much as necessary.

Parameter 3: Course curriculum intellectually stimulate you

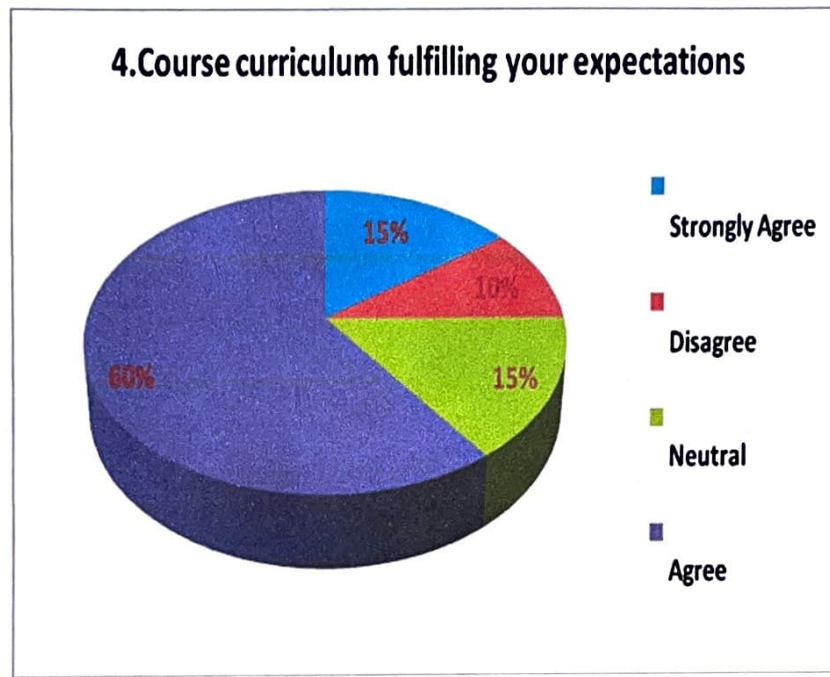

Analysis:

Action Taken: Only 3% students given rating as disagree while 21% rating given as neutral. Overall more than 70% student agreed that course curriculum intellectually stimulate them. Hence no need of action.

Parameter 4: Course curriculum fulfilling your expectations

Analysis:

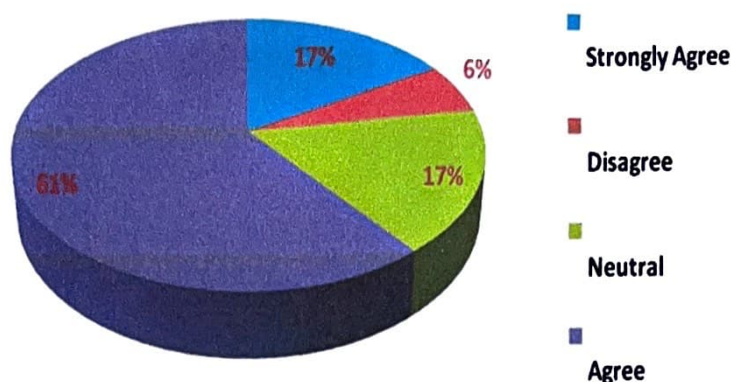

Action Taken: 60 % students are agree while 15% are strongly agreed that present curriculum fulfill their expectations. Only 10 % students are not agree. This percentage is very negligible. It's proved that curriculum as per current scenario as per students expectation. There is no need to take action for this parameter.

Parameter 5: Reading material regarding curriculum is easily available

Analysis:

5. Reading material regarding curriculum is easily available

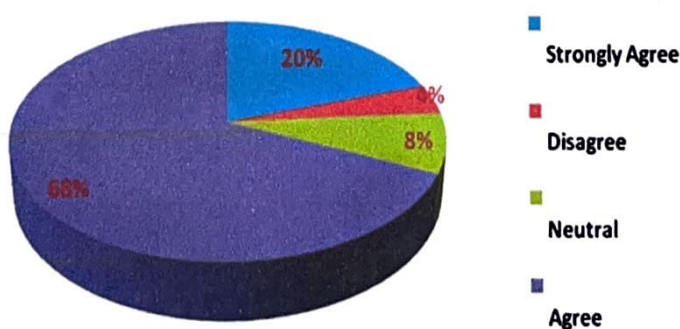

Action Taken: Reading material regarding curriculum is very important for academic growth of students. More than 75% students agreed that reading material regarding curriculum is easily available. While 17% student's opinion is neutral. It shows that availability of curriculum material is good.

Parameter 6: The entire syllabus is completed in time

Analysis:

6. The entire syllabus is completed in time

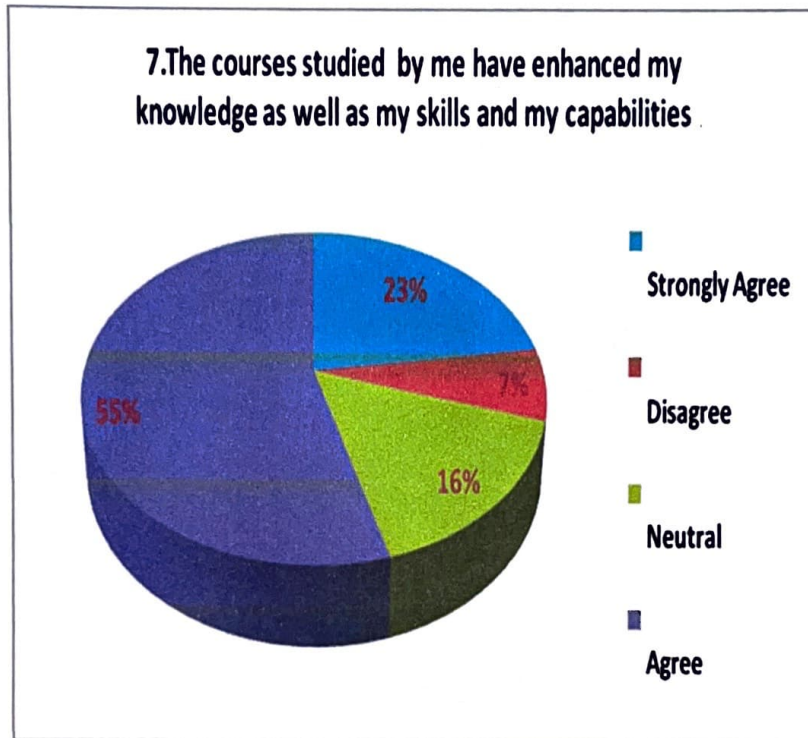

Action Taken: Syllabus conveys students to get clear idea of course content and knowledge they gain throughout the course. So it's very essential to complete syllabus in time. As per analysis more than 80 %

students approved that syllabus is completed within time .So no need of action suggested.

Parameter 7: The courses studied by me have enhanced my knowledge as well as my skills and my capabilities

Analysis:

Action Taken: Curriculum play major role in enhancement of students knowledge and skills that require for employability. It's also shape students capabilities. Only 7 % students given rating as disagree, 16% as neutral while 55% rating as agree and 23% as strongly agree for this parameter. Only 7% students are not agree for this parameter. So no action is required.

Total Feedback Taken: 135

Parameter 1: The curriculum is designed to enhance employability

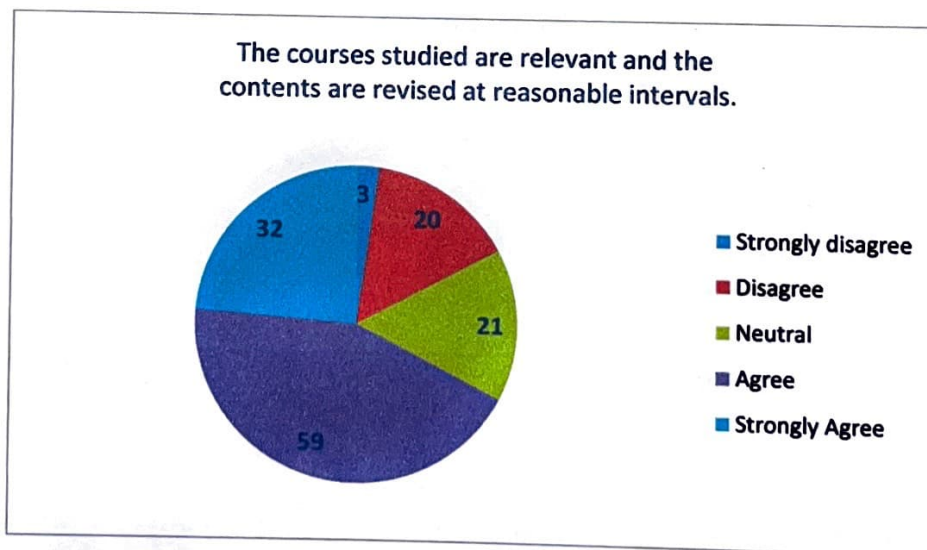

Response in numbers:

Action Taken: According to analysis 42 students strongly agree that curriculum intended to enhance employability. Very few of students are strongly disagree with it. So no need of action.

Parameter 2: The courses studied are relevant and the contents are revised at reasonable intervals.

Response in numbers:

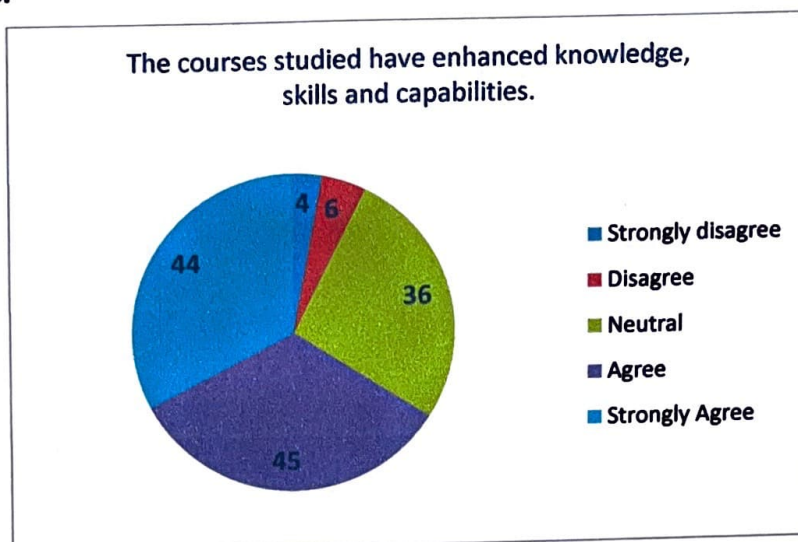

Action Taken: Overall 3 students out of 135 are unhappy about relevance's and contents revisal interval of course studied. Whereas 59 students are agree and 32 students are strongly agree about this. It prove that students felt content of course is revised regularly .Hence no action is required.

Parameter 3: The courses studied have enhanced knowledge, skills and capabilities.

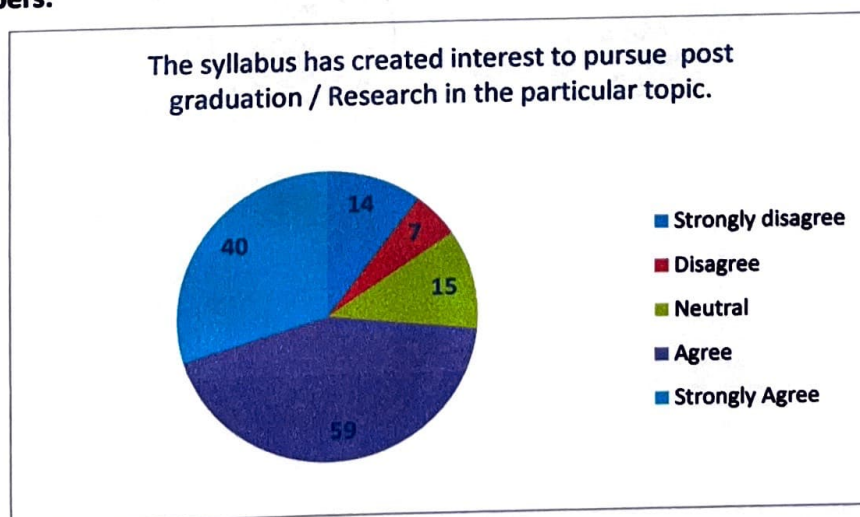

Response in numbers:

Action Taken: For this parameter 36 student's response as neutral and 6 students responses as disagree. While 4 students responses as strongly disagree. Hence some ways like to give more attention on students progress, use real life examples in teaching, include quizzed and test throughout the session, encourage students to use their knowledge, to make students more creative are suggested .So that students knowledge ,skill and capabilities are improved .

Parameter 4: The syllabus has created interest to pursue post graduation / Research in the particular topic.

Response in numbers:

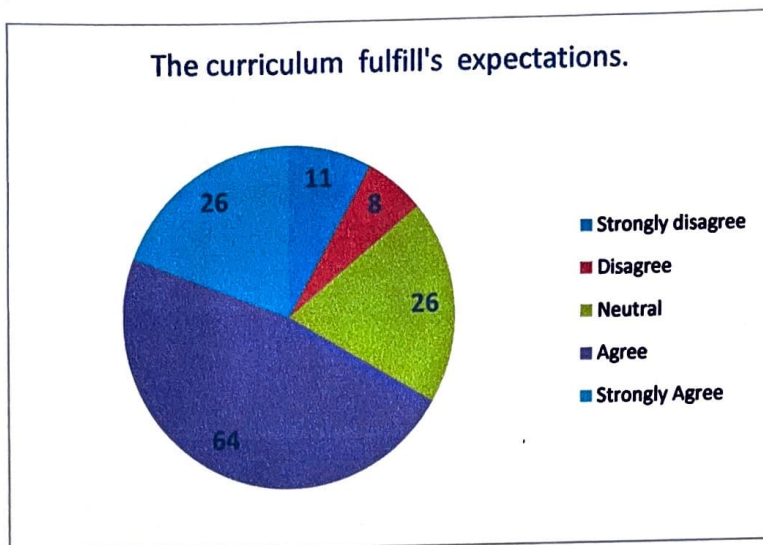

Action Taken: Only 07 students respond as strongly disagree that syllabus created interest to pursue post /graduation in research area. Rather than 59 students are agree and 40 students are strongly agree about this. From this it's concluded that syllabus is proper to generate interest among students to follow post graduation and research in concern stream.

Parameter 5: The curriculum fulfills expectations.

Response in numbers:

Action Taken: Form this parameter response analysis it analyzed that 64 students are agreed and 26 students are strongly agree that curriculum fulfills their expectations. Hence no need of action.
